REG LIVERMORE – TAKE A BOW

Reg Livermore has been entertaining audiences for over 50 years. This exhibition celebrates his remarkable career including roles in *The Rocky Horror Show*, *Barnum* and *The Producers*. *Reg Livermore – Take a Bow* also highlights his groundbreaking solo shows that began with *Betty Blokk Buster Follies* in 1975. Costumes donated by Livermore to the Arts Centre's Performing Arts Collection are featured, along with material from his personal archive. This is a rare opportunity to experience the creative talent of an Australian theatre legend.
